

CANCELLED FIXTURES AND BADGERS FIXTURES

RAY BRUNT has agreed to act as liaison between clubs who have fixtures cancelled for any reason other than weather conditions, with a view to arranging an alternative fixture.

RAY BRUNT is also able to assist in organising BADGERS fixtures, should a club require. Club officials who wish to take advantage of these services, can contact him on 01942 605974 or 01942 260201.

If you take up a fixture offered through the scheme PLEASE RING BACK TO RAY and confirm this, so that the clubs involved can be removed from the list requiring a fixture.
